

Table 1: CCF Issue Area Programs

**Community Care Fund programs support those most vulnerable in our communities. Volunteers evaluate the effectiveness and efficiency of these programs to decide where to invest Community Care Fund donors' dollars. If you gave to the Community Care Fund, these are the programs your gift is supporting. Thank you!**

**UWTC Disability Statement**

In order to address the needs of individuals with disabilities, United Way of Tompkins County is committed to working with local organizations in our community that provide opportunities for individuals with disabilities to lead fully inclusive lives. This applies to all programs across all issue areas. Your support for the United Way Community Care Fund helps people with all abilities maximize their independence as fully engaged members of our community.

**If you would like further information about joining UWTC’s Fund Distribution & Evaluation Committee, please contact Meg Cole at [mcole@uwtc.org](mailto:mcole@uwtc.org), or (607) 272-6286.**
