

**Community Care Fund  
2017-2018 Grant Awards  
Totaling \$877,052.00**

**EDUCATION - \$265,350**

**Outcomes:**

**Children and youth succeed in school, work, and life.**

- *Young children enter school ready to succeed.*
- *Families have access to quality, affordable childcare.*
- *Parents and caregivers support children's healthy development.*
- *Youth succeed academically, develop job skills and engage in civic life.*

***Brooktondale Community Center***

• **Brooktondale Summer Camp - \$5,000**

Brooktondale Summer Camp provides children the opportunity to engage in learning and entertainment throughout the majority of the summer season and parents with affordable summer child care. At a minimal cost (with scholarships provided as needed) the Summer Camp provides five hours of fun and education each day, as well as lunches and snacks as needed. Activities include art, animal care, sports, gardening, and cooking.

***Child Development Council***

• **Child Care Resource Referral Program (CCRR) - \$45,000**

The CCRR program was founded to promote the growth and development of child care in Tompkins County. The program helps build the supply of regulated care by shepherding potential providers through the regulatory process, assisting informal providers in enrollment for care of low income children, and assisting with their business practices. CCRR directly support parents in accessing child care through a comprehensive referral process and helps parents identify resources, including scholarships, tax benefits, and employer supports, to help pay for the cost of care. CCRR also helps providers improve and strengthen the efficiencies of their business practices and offers a range of support to improve the quality of available child care.

• **Family Support Services - \$25,000**

Family Support Services (FSS) assists pregnant women and families with children 0-5 years of age. Using a family centered, home-visiting approach, FSS guides parents to develop positive parenting skills based on an understanding of the growing and changing needs of the children. The primary goal is to support and educate parents on how to provide an optimal environment to enhance the growth and development of children, strengthen the nurturing qualities of the parents, reduce factors leading to family dysfunction and developmental delays, and prevent child abuse and neglect.

• **Teen Pregnancy/ Parenting Program - \$15,000**

The Teen Pregnancy/Parenting Program (TP3) assists pregnant and parenting teens in Tompkins County. Using a family-centered, home visiting approach, TP3 provides education, support and advocacy designed for the special developmental needs of teens. The primary goals include education to support a healthy pregnancy, child development information, and parenting strategies to enhance optimal environments for their children, reduce incidents of child abuse, and prevent foster care placement. Combined, these goals contribute to the overall mission of the agency – “to promote the healthy development of children and families in Tompkins County.” TP3 uses assessment, goal setting and services coordination to provide steps towards self-sufficiency.

### ***Danby Community Council***

- **Danby Scholarships Program - \$1,500**

The Danby Scholarship Program provides money for youth to attend summer camps, after school programs and other enrichment activities. Program goals include awarding more scholarships and finding new-effective ways to spread the word to more low-income youth.

- **Youth Services - \$1,500**

The Youth Program provides ongoing community-based youth development programs in Danby and assists with transportation issues. Through field trips, in-school activities, and indoor/outdoor programs during the school year and over breaks, youth learn new skills, make new friends, and attend a diverse range of programs.

### ***Downtown Ithaca Children's Center***

- **Tuition Assisted Childcare Program - \$14,500**

The Downtown Ithaca Children's Center provides safe, affordable child care to the community. The Tuition Assistance program subsidizes the cost of tuition, keeping the cost of child care affordable for families.

### ***Dryden Community Council***

- **Southworth Library Summer Reading - \$600**

The Summer Reading Program is for school and pre-school aged children in the Dryden area. Their goal is to encourage reading retention over the summer months, as well as pre-reading and school readiness skills.

- **Southworth Library Teen Programs - \$800**

The Library Teen Program provides monthly "teen-takeovers" at the library for local teens to participate in a literary-based activity or craft.

- **Dryden Community Camp - \$3,000**

The Dryden Summer Recreation program serves children, grade K-5 through three two-week sessions. Each week has a theme for the crafts, activities, and learning events. The camp allows all children in and outside of the community to interact with each other when school is not in session.

### ***Enfield Community Council***

- **Enfield School Age Program Scholarships - \$3,000**

The Enfield Community Council supports Enfield's working families by providing scholarship money to reduce the cost of quality child care in the Enfield School Age Program. Support is provided to families whose children attend the Enfield Elementary School.

- **Enfield Summer Day Camp - \$ 3,000**

The Enfield Summer Day Camp provides an affordable, quality summer camp experience to children ages 5-13 in a park setting. Daily activities include sports (including swimming), arts and crafts, and special presenters such as the Cornell Lab of Ornithology, Finger Lakes Independence Center, and Healthy Foods Coalition. Field trips include going to the Sciencenter, the Hangar Theater, mini-golf, and neighboring State Parks. The program emphasizes hiring from our community, and offers a first time employment opportunity to local teens.

- **Teen Program - \$ 7,500**

The Teen Program offers life skills and education opportunities for middle and high school youth. The program offers fun activities to youth, concentrating on youth development through enhancing self-esteem, leadership, and team building skills with opportunities for community participation. Programs include Primitive Pursuits, Get2It!, Wacky Wednesdays, Lunch Bunch, Finally Fridays and All About Animals. Youth are encouraged to practice making good choices, which will help them transition to middle and high school with greater academic success.

### ***Franziska Racker Centers, Inc.***

- **Early Childhood Feeding Program - \$8,000**

The Early Childhood Feeding Program will help infants and children who experience feeding difficulties by providing a trained and experienced therapist to work with children and their families. This program will also provide mentoring for therapists and education for other professionals in order to enhance knowledge about feeding issues.

### ***Freeville Community Council***

- **Freeville Summer Recreation Program - \$4,000**

The Summer Recreation program in Freeville provides a low-cost alternative to give children the opportunity to enjoy the outdoors and the social interaction afforded by the summer camp experience. Weekly field trips offer the opportunity to explore local community highlights, including Yaman Park, the Hangar Theatre, local parks, and more. Weekly themes encourage creativity through crafting, reading, movies, and sports or active games.

### ***Girl Scouts NYPENN Pathways***

- **Girl Scout Leadership Experience - \$3,500**

The Girl Scout Leadership Experience (GSLE) is a program for all girls in grades K-12 providing girls with safe, supportive, out-of-school environments where they can discover new interests and abilities; connect with peers and positive adult mentors; and learn how they can take action to become leaders of change. Girls learn and demonstrate practical life skills, develop healthy social/emotional skills, and select and participate in community improvement activities.

### ***Greater Ithaca Activities Center***

- **Teen Program - \$19,000**

There are three main components to the GIAC Teen Program: Pre-teens (6 & 7th grades), Transition (8th grade), and High School (9-12th grade). The Teen Program provides safe, educational, supportive, engaging activities after school and occasionally on the weekends for all area teens. The program also serves young adults aged 19-24 seeking employment or education and social development support.

- **Youth Program - \$35,000**

The Youth Program operates under licensing of the New York State Office of Children and Family Services (OCFS). Its two main components are an afterschool program and a 6-week summer day camp in July and August. Children from Pre-K through 6th grade participate in educational, recreational, cultural, and social development activities that boost their self esteem, foster healthy relationships, and develop positive life skills. Nutritious snacks and dinner are served daily for all participants.

### ***Groton Community Council***

- **Groton Public Library - \$1,000**

Groton Public Library hosts a summer family entertainment series for the Groton community. These events provide artistic and cultural enrichment opportunities to the community.

- **Groton Recreation Committee - \$1,550**

This is a summer recreation program offered to area youth. It provides an opportunity for children to engage in a variety of recreational and artistic activities and field trips.

- **Groton Youth Services Program - \$2,550**

The Youth Program includes developmental programs, youth employment, and volunteer programs for elementary and middle school youth. At-risk youth who do not have any other positive development opportunities are targeted for these programs.

### ***Ithaca Community Childcare Center (IC3)***

- **Emergency Access Scholarship Fund - \$5,000**

The Access Scholarship Fund ensures continued childcare for families experiencing temporary financial crises by providing emergency scholarships. During a crisis, continuing the child's enrollment prevents disruption and supports positive behavior with better educational attainment, social adjustment, and strengthened relationships.

### ***Lansing Community Council***

- **Lansing Youth Services - \$3,000**

Lansing Youth Services offers an environment and activities where students learn life skills, connect to their peers, establish meaningful relationships, and have fun while participating in a diverse range of art, science, cooking, community service, and outdoor education programs.

### ***The Learning Web***

- **Community & Career Exploration & Apprenticeship Program - \$25,000**

School-age youth (80% underserved youth) undertake career and community exploration activities, apprenticeships, and community service projects, developing skills, interests, and knowledge of adult roles. Serving all youth— both at-risk youth and resource-rich— allows for a program of “blended youth” that resists stereotyping. Apprentices gain skills related to their interests and valuable employment-related skills. Activities promote confidence, character, connection, competence, and contribution, leading to a successful transition to adulthood.

### ***McLean Community Council***

- **Calling All Teens - \$3,000**

Evening events during the summer months to bring community members together to learn the history of the hamlet and surrounding area.

### ***Newfield Community Council***

- **Before & Afterschool Program - \$2,000**

The Before and After School Program provides a safe, nurturing setting for preschool and elementary students. The program offers a variety of activities, including crafts, educational and physical games, and help with homework.

- **Summer Day Camp - \$4,500**

The Summer Day Camp provides a safe, fun, energetic environment for children in grades 1 through 7 to explore, create, socialize, and stimulate their physical and mental abilities. Activities include arts and crafts, sports, swimming, reading, presentations, and field trips.

- **Summer Reading Program - \$1,500**

The Summer Reading Program introduces children to the library and encourages them to read during the summer. The program provides employment to teens who can assist with the program. They are given responsibilities that encompass a wide range of duties from room set-up to program delivery.

- **Youth At-Risk and General Recreation - \$2,200**

The Newfield Recreation program is focused on youth and their families, and hosts a variety of events and activities. Most of the youth programs are for grades pre-K through 6th grade, with emphasis on sports-related skills and activities. The Recreation program also provides a full-day, six-week Summer Day Camp. Throughout the year there are also community events and presentations.

### ***Southside Community Center***

- **Recycle Ithaca's Bikes (RIBS) - \$5,500**

RIBS is an education and support program that includes targeted workshops, empowerment activities (such as bike repair) for community members, and the recycling and distribution of bikes to youth and adults who cannot access them.

### ***Ulysses Community Council***

- **Afterschool Program - \$2,350**

The afterschool program serves between 50-60 children, grades K-6, in the Trumansburg Central School District. Scholarships provide access for children who otherwise would not be able to attend due to financial reasons.

- **Library Program - \$800**

The Ulysses Philomathic Library provides a summer reading program for 200-300 students, and additional participants of all ages. The library visits schools and promotes summer reading to encourage the reading of over 2,000 books over the course of the summer. This reading helps students retain grade level literacy skills. Families attend programs to ensure that reading is seen as an engaging recreational and educational activity for the entire community.

- **Nursery School - \$500**

Activities at the nursery school include a morning preschool program for approximately 40 children ages 2-5 years old. Activities promote social, emotional, physical, and intellectual growth, and contribute to self-esteem and awareness of others. Their child-directed philosophy and focus on free play encourage the development of executive function and decision-making skills. United Way funds will provide scholarships to children of families with lower incomes and families experiencing short-term financial distress.

- **Summer Recreation - \$3,500**

The Summer Recreation Program serves 150 children ages 5-16 from diverse backgrounds for six weeks in the summer. The program provides morning playschool with arts and crafts, playground games, field trips followed by a supervised lunch, and a bus to Taughannock State Park for swim and recreation in the afternoon. Supplemental daycare is available from 7:30 -9:30AM before the program, and from 3:00-5:30PM after the program ends. Scholarships enable children with low income to participate fully.

- **Youth Services - \$5,500**

Two half-time Youth Program Managers provide an array of youth development programs, including enrichment, youth employment, and volunteer action for middle and high school youth.

### **INCOME - \$260,877**

#### **Outcomes:**

#### ***Individuals and families have improved financial stability and self-sufficiency.***

- *Individuals and families build financial assets and improve financial management skills.*
- *People secure needed resources to address crises.*
- *People develop skills to gain, maintain, and improve employment.*
- *People have knowledge of and access to supportive services.*

#### ***Better Housing for Tompkins County***

- **Tompkins County Home Repair Program - \$17,500**

The Home Repair Program serves rural homeowners over 60 years of age who are low-income or homeowners with a disability of any age. The goal of the program is to help clients stay safely and independently in their own homes by providing home repairs. Labor is provided free of charge, and the cost of materials is typically covered by the homeowner. An Emergency Materials Fund is available to assist homeowners who cannot afford the cost of materials. United Way funding is critical to securing additional grants to support this Fund.

#### ***Brooktondale Community Center***

- **Caroline Food Pantry - \$1,250**

The Caroline Food Pantry provides food to approximately 500 Caroline residents each month on the basis of need. They also offer emergency deliveries throughout the month and walk-in “pickup” service on the first and third Mondays of every month.

### ***Catholic Charities of Tompkins/Tioga***

- **Immigrant Services Program (ISP) - \$10,000**

The Immigrant Services Program (ISP) assists immigrants with low-income who face language and/or cultural barriers and need assistance in accessing community resources to meet basic needs. The program provides low-cost or *pro bono* legal immigration services and job search assistance to immigrants with limited English proficiency and limited formal education. This program also provides citizenship and naturalization services that target the elderly, individuals with low-income, and those receiving public assistance.

- **Samaritan Center Emergency Services Program - \$ 26,000**

The Samaritan Center provides emergency, short-term financial assistance to families and individuals in immediate financial crisis. Individuals and households receive one-time cash assistance to remain in their homes when threatened with eviction, avoiding disruption of gas and /or electric service, keeping their car on the road, maintaining employment or getting to school, or purchasing prescription medications. Samaritan Center participants are provided access to a free clothing closet and personal care products. The program also conducts facilitated enrollment for benefits.

### ***Challenge Workforce Solutions***

- **Contract Production Facility - \$30,000**

Challenge’s Contract Production Facility provides employment to workers with disabilities who are unable to find the type of support that they need in the community by offering work that gives them the greatest possible sense of independence, fulfillment, and integration with the rest of society. The program supports an aging workforce with disabilities to continue working and contributing to their community and their own self-sufficiency. The program also provides training and work experience to younger workers with disabilities, to help them reach their career potential.

- **Job Club - \$6,750**

The long-term goal of Job Club is to help individuals and families who are dependent on public assistance make the transition to self-sufficiency by developing the skills to obtain and maintain employment in jobs that offer opportunities for career growth and connecting the worker (and family) with a range of support services that will provide a security net after the duration of the program. The components of the program included: Job Readiness Skills, Life Skills, Job Seeking Skills, Job Retention Skills, Customer Service, and Computer Skills.

### ***Foodnet Meals on Wheels***

- **Home Delivered Meals - \$12,250**

This program provides meals and nutrition counseling to frail and vulnerable elders, individuals with disabilities, elders newly released from the hospital, and other adults who have difficulty shopping and preparing well-balanced meals for themselves.

### ***Groton Community Council***

- **Izzy’s Closet - \$2,000**

Izzy’s Closet is a cupboard at the Groton Elementary School that houses basic school supplies, clothing and books for children in need. These items help disadvantaged children succeed at school both academically and socially.

### ***Human Services Coalition***

- **Human Services Planning - \$8,000**

Human Service Planning provides technical assistance, capacity building, and support to the nonprofit community and links organizations to local and regional decision-makers.

- **2-1-1- Information and Referral Services Program - \$7,000**

Information and Referral Services (2-1-1/I&R) operates at the hub of the Tompkins County services network to promote effective service delivery. The program maintains a database of community information, provides a central telephone information service, and operates an online chat service. Individuals receive community information or referrals to service providers according to their situation. Follow-up and advocacy services are also provided when appropriate, along with periodic quality assurance surveys. 2-1-1/I&R also provides screening and scheduling services for other non-profit organizations including the Alternatives Federal Credit Union Volunteer Income Tax Program (VITA).

### ***The Learning Web***

- **Youth Outreach - \$22,000**

The Youth Outreach Program is open to all Tompkins County young people age 16 to 24 who are homeless or transient, lacking a fixed, stable place in which to live. Youth Outreach combines street outreach, case management, and supportive services (such as help obtaining housing, public assistance, medical care) with an independent living component, and an employment-related apprenticeship to help participants gain the skills necessary to live successful, self-sufficient lives. Youth Outreach's existing program services allow youth to better focus their energy on setting goals, working on education and employment, and moving towards self-sufficiency.

### ***Legal Assistance of Western New York, Inc. - LawNY***

- **LawNY – Ithaca - \$4,000**

LawNY (TTNLS) provides free, high quality legal services to residents with low income of Tompkins and Tioga Counties. They focus on the essentials: access to decent, affordable housing; access to medical care; and access to a subsistence income adequate to provide shelter, nutrition, and health. By assisting those who have been denied public benefits, they help catch those who have fallen through the social safety net.

### ***McLean Community Council***

- **McLean Community Hall - \$1,000**

The Community Hall is used for community meetings and social gatherings. The Community Hall also hosts a food pantry once a month, which provides food to about 50 community members in need of food assistance.

### ***Newfield Community Council***

- **Newfield Kitchen Cupboard - \$1,000**

The Newfield Kitchen Cupboard provides food to a diverse population, including senior citizens, individuals with disabilities, unemployed adults and people with low income. Food is provided twice a month, and for emergencies on an as-needed basis, to create a variety of nutritional meals.

### ***Opportunities, Alternatives and Resources (OAR) of Tompkins County***

- **Opportunities, Alternatives and Resources - \$29,875**

The OAR Program advocates for and assists people who are or have been incarcerated in the Tompkins County jail, as well as their families and friends. OAR also provides programs which constructively restore and maintain our clients' inclusion in the community as a whole. OAR delivers services to the inmates of the Tompkins County Jail and their friends and families, and assists with reentry into the community after individuals leave the jail or prison.

### ***Rescue Mission Alliance of Syracuse***

- **Emergency Shelter/Day Center (Formerly of American Red Cross, Tompkins County Branch) - \$31,377**

The Ithaca Emergency Shelter/Friendship Center offers 20 shelter beds and 25 permanent or transitional supportive housing units in Ithaca. The center also runs a food pantry for community members and residents, and provides residents access to three meals a week. Residents receive services which include supportive case management and employment resources assistance.

### ***The Salvation Army***

- **DAP - Direct Assistance Program - \$9,000**

DAP provides meals (including special holiday meals) from Our Brothers and Sisters Table/Soup Kitchen on the weekends. The funds from year 1 were used for the cooks' wages, food and dining room supplies, clothing vouchers, and food baskets. The Salvation Army has also taken over the Dryden service unit and they are looking to expand their summer food program that provides food to those in need in the town of Dryden.

### ***Tompkins County Senior Citizens' Council (Lifelong)***

- **Tax Counseling for the Elderly - \$4,000**

This program provides free tax counseling services for older adults, helps eliminate the high tax preparation fess, provides fast refunds, and keeps more of our economic resources in Tompkins County.

### ***Tompkins Learning Partners***

- **Adult Literacy - \$16,875**

Using trained volunteers, Tompkins Learning Partners (TLP) provides one to one literacy tutoring assistance to 115 adults who need to improve their English speaking, reading, writing, math, and computer skills. Students set learning goals and achieve them by working together with professionally trained and supported volunteer tutors. With increased literacy skills, students are often able to maintain, gain, or improve employment.

### ***Ulysses Community Council***

- **Trumansburg Food Pantry - \$1,000**

The Food Pantry supports 110 families by providing them bi-weekly food distributions. These families acquire 9 to 15 meals every two weeks at a distribution to support their food security.

### ***Women's Opportunity Center***

- **On the Job Training - \$20,000**

The 'On the Job Training' program was designed to provide intensive training for women who have no marketable skills and work references. Trainees will receive six weeks of intensive training and six weeks of hands-on work experience.

## **HEALTH - \$350,825**

### **Outcomes:**

#### ***Children, seniors and adults have improved physical, emotional, and mental well-being.***

- *People have access to nutritious food.*
- *People of all ages are active and build social connections through recreational activities.*
- *Individuals and families can utilize substance abuse, mental health, and conflict resolution counseling.*
- *People can obtain medications for acute illnesses.*

### ***Advocacy Center of Tompkins County***

- **Youth Intervention and Prevention Services - \$25,000**

The Youth Services Program provides services to victims of child sexual abuse, teen dating violence, child witnesses to adult interpersonal violence, and adult survivors of child sexual abuse. These services include a 24-hour hotline, in-person and telephone counseling and support, support groups, and accompaniment to services (law enforcement meetings, court cases, legal appointments, medical appointments, SANE (Sexual Assault Nurse Examiner) exams at Cayuga Medical Center).

### ***Alcohol & Drug Council***

- **Education & Prevention Program - \$ 2,500**

The Education and Prevention Program provides a variety of services to the community, including the Drinking Driver Program, the T.A.P.P. (Talking about Peer Pressure) peer education program, Brief Alcohol Screening and Intervention for College students (BASICS), general community events, and awareness activities. The A&DC acts as a community resource through presentations, topical literature, and other media.

- **Outpatient Alcohol & Drug Treatment - \$19,500**

The Outpatient Alcohol and Drug Treatment Program provides assessment, treatment, and recovery services to people of all ages. Trained, credentialed clinicians develop individualized treatment plans in partnership with each client to meet individual needs. The plan utilizes evidence-based methodologies in individual and group counseling sessions, including services for special populations: LGBT clients, victims of trauma, and clients with co-occurring mental health/chemical dependency diagnoses.

### ***Brooktondale Community Center***

- **2016-17 Playground Project - \$8,500**

The BCC playground has served the community for more than five decades, and is looking to replace broken, outdated structures with high-quality modern ones that Caroline children can safely enjoy for decades to come.

- **Old Mill Newsletter - \$1,000**

The Brooktondale Community Center's Old Mill Newsletter serves as an important information source for the entire Town of Caroline. Church suppers, town board meetings, Farmer's Market events, free dinners, and Food Pantry News are all present in the monthly newsletter. Without it, a number of Caroline residents would not be able to access the services they need on a daily basis.

### ***Cancer Resource Center of the Finger Lakes***

- **Individualized Information and Support for Those Affected by Cancer - \$12,750**

The core service of this program is the provision of individualized assistance to people affected by cancer. Staff and volunteers work with clients to identify resources and provide a human connection so that no one faces cancer alone. Clients work one-on-one with staff and volunteers in person at Cayuga Medical Center, in their homes, over the phone, or via email. Clients can also take part in support groups, participate in wellness programs, and access free wigs, scarves, hats, and turbans.

### ***CDRC – Community Dispute Resolution Center - \$22,000***

- **Mediation Services**

The Mediation Services involve bringing individuals together in a safe setting with expertly-trained mediators to facilitate conversations and help resolve conflict. Mediation is available at no cost to those experience conflict, allowing individuals and communities to avoid the financial and emotional costs of ongoing conflict.

### ***Danby Community Council***

- **Family Programs - \$1,000**

DCC's Family Programs provide opportunities for residents to gather and build a sense of community. Events include Danby Fun Day, community concerts, film series, and the annual DCC Halloween party.

- **Newsletter - \$1,500**

The Danby Area News is a monthly publication almost every resident of Danby receives by mail. The Newsletter is one of the only ways Danby youth and their parents can learn about programs available to them, including applications for youth scholarships.

- **Danby Seniors - \$200**

The goal of DCC's Danby Seniors Program is to give senior citizens in Danby a chance to meet monthly for food, friendship, entertainment, and education.

### ***Dryden Community Council***

- **Southworth Library Large Print Materials - \$300**

Southworth Library provides outreach services to Willowbrook Manor Senior Center by providing a rotating collection of large print materials for an 8-10 week cycle. The new collections are delivered during a social event that includes book-talks, short anecdotes, stories read aloud, and some refreshments.

### ***Enfield Community Council***

- **Community Newsletter - \$2,000**

Enfield Currents is a community newsletter mailed to residents of the Town of Enfield. The newsletter includes current information about community organizations and events in the Town, and is the primary communication tool for ECC to inform Town of Enfield residents and families.

- **4<sup>th</sup> & 5<sup>th</sup> Grade Basketball - \$900**

This program helps 4th and 5th graders prepare for their transition to middle school by interacting with students from area elementary schools. Through participation in the basketball program, students learn about teamwork and team building, and make healthy life style choices.

### ***Family & Children's Service***

- **Clinical Counseling - \$35,000**

F&CS provides equal access to clinical counseling for anyone in our community who needs it. The counseling team provides support to children under the age of five, families, students, couples, single adults, and older adults.

- **Psychiatry Services - \$33,000**

Psychiatric evaluation and medication management has become an essential component of mental health treatment. Many clients require more than traditional psychotherapy in order to achieve a baseline level of mental health. Often, the combination of psychotropic medications in coordination with therapy and counseling helps clients overcome their mental health challenges. Psychiatric evaluations and care are an increasingly important part of addressing the growing demand for mental health care.

- **Rural Outreach Services - \$40,000**

The Rural Outreach Program provides mentoring, case management, and recreation opportunities to children in rural communities in Tompkins County who are struggling with mental and behavioral health challenges. This program builds on the strengths Family and Children's Service of Ithaca's highly successful Dispositional Alternatives Program to engage and support children and families in their homes, empower families to make decisions that support their overall well-being, and provide children with meaningful connections to their communities.

### ***Finger Lakes Independence Center***

- **Disability Benefits Education and Assistance - \$5,000**

The Finger Lakes Independence Center staff provide disabled individuals with the tools to obtain employment by offering job search assistance, job accommodations and numerous other employment-focused services and supports.

### ***Gadabout Transportation Services, Inc.***

- **Gadabout Transportation Services - \$12,750**

Gadabout Transportation Services uses a fleet of 30 lift equipped buses with a staff of both paid and volunteer drivers to provide rides for all purposes to Tompkins county residents 60 years of age and older, and for people with disabilities.

### ***Greater Ithaca Activities Center***

- **Recreation Program - \$6,000**

The Recreation Program provides recreational activities to youth, teens and adults that serve to enhance their health and well-being, and encourage personal discipline. Activities provided include

open adult basketball, pre-teen/teen basketball, summer basketball leagues, instructional swim, fitness training, community trips, and amateur boxing.

- **Adult/Senior Program - \$5,000**

The GIAC Adult/Senior Program keeps seniors socially engaged, mentally stimulated, and physically vibrant. Seniors enjoy a variety of programs that are socially, culturally, and educationally enriching at low to no cost, and accessible to seniors of various ages, mobility levels, and cultural backgrounds. The registration fee is waived for seniors over age 90.

### ***Lansing Community Council***

- **Lansing Department of Parks and Recreation - \$2,000**

Lansing Recreation Department provides opportunities for youth to participate in organized activities. Program costs are below the market value to enable more children to attend, and scholarships are available for families who cannot afford the full program fees. Activities include a 2-week summer day camp with a variety of activities, including art, soccer, band, golf, rock climbing, sailing, nature escape, destination exploration, horse riding, bowling, drama, tennis, track and field, reading, computer, and Spanish. There are also fall and winter sports programs.

### ***McLean Community Council***

- **Happening in the Hamlet - \$1,000**

Happening in the Hamlet is a fun summer festival that includes carnival rides, contests, local vendors and food cooked and served by the McLean Fire Department. The activities benefit McLean Fire & EMS and provide a great way for the community to get together and socialize.

- **McLean Beautification Committee - \$975**

The Beautification Committee works to beautify McLean by planting and promoting community pride and awareness via providing informational programs about the nature of McLean and much more.

### ***The Mental Health Association in Tompkins County***

- **KIDS First Summer Recreation Program - \$35,000**

KIDS First is a Summer day-camp for children with developmental, behavioral and/or emotional issues. Under the guidance of highly trained staff, children in the program are able to access recreational and educational resources in the community, engage in physical activity, build social skills and emotional intelligence, and enjoy summer fun in a supportive, inclusive environment.

- **PASS Program Mentor Training - \$1,000**

The PASS Program is an innovative, curriculum-based, statewide prevention program that works with teens who experience challenges in their daily lives, or whose parents are seriously and persistently mentally ill.

- **Community Health Education Outreach - \$3,500**

The Community Health Education Outreach program works to educate and support the Tompkins County community on issues of mental health and mental illness. This is done through internet presence, media, presentations, publications, one-on-one meetings, research, dissemination of research, and much more.

### ***The Salvation Army***

- **Salvation Army Golden Agers (SAGA) - \$1,000**

SAGA provides weekly programs for seniors, creating the opportunity for positive socialization for seniors and nutritious meals tailored for senior diets. SAGA includes informative programs and speakers focusing on senior issues, and a five-day trip to Camp Long Point on Seneca Lake.

- **Youth and Educational Supports - \$1,000**

This program offers services to school aged children by providing back-to-school supplies, private and group music instruction, dance, drama, singing and an opportunity to attend Camp Long Point. Children have the opportunity to learn new skills, develop study habits so they can be successful in school, and strengthen interpersonal relationship skills.

### ***Suicide Prevention and Crisis Service***

- **Crisisline - \$35,000**

The Crisisline provides free and confidential telephone crisis counseling and information. Program goals are directed to increase the professional standards, out-reach and follow-up activities, and evaluation process of Crisisline staff and volunteers.

- **Online Counseling Service for Youth - \$6,700**

“The Chat” online counseling service is designed to appeal to teens and young adults, and provides the same crisis counseling and suicide intervention service as through our telephone service. These services provide a way to break the isolation that many young people feel around their problems. Through empathic and non-judgmental listening and coaching, counselors lead youth at risk toward healthy and safe problem-solving choices.

### ***Tompkins County Senior Citizens’ Council (Lifelong)***

- **Tompkins County Senior Citizen’s Council (Lifelong) Activities - \$4,000**

Lifelong Activities offer Health and Wellness classes, including Tai Chi, Yoga, Art, Strength Training, Dancing, and Exercise Classes.

- **Volunteers Connected! - \$2,000**

This grant will help Lifelong fill the gap of senior volunteers who volunteered under the RSVP umbrella.

### ***Varna Community Association***

- **Varna After School Program (VASP) - \$10,000**

VASP will provide care for 40 children during the school year at the Varna Community Center. All-day care will also be offered when schools are open but students have the day off, and on some school holidays.

### ***YMCA of Ithaca and Tompkins County***

- **Open Door Scholarship Program - \$14,750**

The YMCA is offering an income-based membership, known as the Open Doors Program. When approved, this membership allows the applicant a three-month membership at a subsidized rate.
