

2020-2021 United Way of Tompkins County Community Care Fund

The Community Care Fund (CCF) supports essential services in the areas of **financial stability**, **health**, and **education** in Tompkins County.

United Way ensures that donor dollars are well-invested by tracking and measuring the outcomes of funded programs. Volunteer reviewers, with the approval of the UWTC Board of Directors, award CCF grants to local programs that can provide measurable, positive outcomes and that address identified priorities to meet community needs.

While many programs address more than one pillar, due to COVID19 impacts, this year the UWTC Board of Directors resolved that programs be categorized in their highest applicable pillar, with priority assigned to financial stability programs, followed by health programs, and then by education programs.
